Board of Selectmen	286-8303
Town Clerk-Tax Collector	286-4034
Police Department	286-4323
Fire Department	524-1545
Library	286-8288

Cover: This marble front, office wall clock was made in 1886 by Robert S. Johnson and Richard D. Johnson in a clock shop in Sanbornton, which was built by their father in 1830. According to Town clerk Records, Richard Johnson (who was a selectman and auditor for many years in the 1880s) was paid \$10.00 for the 8 day clock. The pendulum had been modified from the original mercury type used in that time period, and restored to use in 1988 by William Warne. It now graces the wall of our Town Offices:

Annual Report of the
Town of Sanbornton
New Hampshire

For the year ending December 31, 1989

In Memoriam

Barbara "Bobbi" Sand, 1949–1989, was an active member of the Sanbornton community. She worked for one year as Sanbornton's first Recreation Coordinator. She was a vibrant member filled with creative ideas and energy.

Bobbi's contributions to the Recreation Commission were many. She was active in the organization and operation of the Sanbornton Youth Soccer Program. The Town beaches were important to her. She spent several summers helping to supervise their operation and insure the protection of this natural resource enjoyed by many. She shared the dream of the Commission to more fully develop the Town's recreation areas.

Bobbi was an active member of the Sant Bani Ashram and assisted as a volunteer at the Sant Bani School. She also volunteered at the Montessori School in Lochmere. She worked closely with her artist husband, Toland, to establish and build their glass sculpture business on Hale Road. Bobbi is survived by her husband and three sons, Luke, Austin and Jameson. Bobbi will be long remembered and missed by all of us.

**1990 TOWN WARRANT
Town of Sanbornton
State of New Hampshire**

The polls will be open from 10:00 a.m. to 7:00 p.m.

To the inhabitants of the Town of Sanbornton in the County of Belknap in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Sanbornton, on Tuesday, the thirteenth (13th) day of March next, at ten of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the ensuing year.
2. To choose all necessary District Officers for the Winnisquam Regional School District.
3. To vote on the following proposed amendments to the Town Zoning Ordinances:

Amendment No. 1

Are you in favor of the adoption of Amendment No. 1 as proposed by the Planning Board for the Town Zoning Ordinance as follows: Renumber Article III, paragraph "L" Soil Erosion and Sediment Control in Land Development to Article III, paragraph "M" to eliminate a clerical error?

Amendment No. 2

Are you in favor of the adoption of Amendment No. 2 as proposed by the Planning Board for the Town Zoning Ordinances as follows: Amend Article XVIII, Forest Conservation District, paragraph A(5) to reference sanitary provisions outlined in Article IV, paragraphs A(9) and A(10) and thus eliminate a clerical error?

Amendment No. 3

Are you in favor of adoption of Amendment No. 3 as proposed by the Planning Board for the Town Zoning Ordinance as follows: Amend Article XX, Wetlands Conservation District to include definitions and regulations for control of Prime Wetlands which are recorded with the New Hampshire Wetlands Board, redefine permitted uses and the authority of the Zoning Board of Adjustment to grant special exceptions in the Wetlands areas, and define a Watershed Protection Area as land surrounding the Prime Wetlands and Wetlands and regulate building and septic system locations and excavating in that portion of the area immediately adjacent to the Prime Wetlands and Wetlands?

Amendment No. 4

Are you in favor of the adoption of Amendment No. 4 as proposed by the Planning Board for the Town Zoning Ordinance as follows: Amend Article III, paragraph C(3) to permit the posting of signs on trees to prohibit criminal trespass in accordance with N. H. RSA 635:4?

Amendment No. 5

Are you in favor of adoption of Amendment No. 5 as proposed by the Planning Board for the Town Zoning Ordinance as follows: Amend Article XIX, Flood Plains Conservation District to conform with Federal Emergency Management Agency (FEMA) by stipulating that structures shall not be allowed in the floodway and/or floodplains as shown on FEMA maps?

Amendment No. 6

Are you in favor of adoption of Amendment No. 6 as proposed by petition for the Town Zoning Ordinance as follows: Amend Article III, paragraph B to extend the removal of sand, gravel, rock, soil, and construction aggregate to all Zoning Districts beside the General Agricultural or Forest Conservation Districts where it is now permitted? (The Planning Board disapproves this proposed amendment).

Amendment No. 7

Are you in favor of adoption of Amendment No. 7 as proposed by petition for the Town Zoning Ordinance as follows: Amend Article IV (Agricultural District), paragraph 3, and Article XVIII (Forest Conservation District), paragraph 2 to include Cross Country Ski areas and activities pertinent thereto as permitted uses subject to a 100 acre minimum area requirement and site plan approval? (The Planning Board approves this proposed Amendment)

You are hereby notified to meet at the Sanbornton Life-Safety Building in said Sanbornton on Wednesday, the fourteenth (14th) day of March next, at seven of the clock in the evening, to act upon the following subjects:

Article 1.

To see if the Town will vote to authorize the Selectmen to incur debt in anticipation of taxes in order to pay current maintenance and operation expenses and to insure a note or notes therefore; to administer any real estate acquired through tax collector's deeds; and to apply for, accept and expend such grants, funds, and gifts as may be available to the Town from private sources and from other governmental agencies.

Article 2. Subject: Library Trustees

To see if the Town will vote to raise and appropriate the sum of \$36,015 and make the same available to the Library Trustees.

Article 3. Subject: Petition to Sealcoat Hueber Drive

To see if the Town will vote to raise and appropriate the entire funding (\$9,000 estimated) to complete the Hueber Drive sealcoat project (.9 mile) which was originally authorized in Article 22 at the Town Meeting on March 9, 1988. This appropriation be funded as part of the Highway Block Grant Project. (By Petition) Note: If this Article passes, Article #4 will need to be amended.

Article 4. Subject: Highway Block Grant

To see if the Town will vote to raise and appropriate the sum of \$60,564 to be received from the State for the Highway Block Grant for the purpose of paving and resurfacing Black Brook Road and Colliesson Road. Recommended by the Road Agent.

Article 5. Subject: Highway Maintenance

To see if the Town will vote to raise and appropriate the sum of \$203,312 for the maintenance of highways and bridges, this sum to include \$2,000 to use for repair of Town bridges.

Article 6. Subject: Highway Department Sander

To see if the Town will vote to raise and appropriate the sum of \$10,700 for the purchase of a highway sander and to authorize the withdrawal of said sum from the Heavy Equipment Capital Reserve Fund.

Article 7. Subject: Fire Department

To see if the Town will vote to raise and appropriate the sum of \$36,591 for the operation of the Sanbornton Fire Department, which sum includes \$1,000 for forest fire protection.

Article 8. Subject: Police Department

To see if the Town will vote to raise and appropriate the sum of \$152,160 for the purpose of operating the Sanbornton Police Department.

Article 9. Subject: Purchase of Police Cruiser

To see if the Town will vote to raise and appropriate the sum of \$15,500 for the purchase of a new Police cruiser, the old cruiser to be transferred to the Fire Department.

Article 10. Subject: Winnisquam Fire Department

To see if the Town will vote to raise and appropriate the sum of \$13,500 for the Winnisquam Fire Department.

Article 11. Subject: Land Acquisition Capital Reserve

To see if the Town will vote to raise and appropriate \$5,000 for the Land Acquisition Capital Reserve Fund. (Not recommended by the Budget Committee. Recommended by the Recreation Commission.)

Article 12. Subject: Outside Social Services

To see if the Town will vote to raise and appropriate the following sums of money for social services:

\$4,200	Lakes Region Community Health Agency
1,200	Twin Rivers Counseling
840	Community Action Program
1,575	Lakes Region Family Services
11,554	Youth Assistance Program*

*contingent upon continued participation in and support of that program by the towns of Tilton and Northfield.

Article 13. Subject: Moulton's Band

To see if the Town will vote to raise and appropriate the sum of \$1,100 for Moulton's Band.

Article 14. Subject: Capital Reserve Funds

To see if the Town will vote to raise and appropriate the following sums of money of which:

\$10,000 to be placed in the Capital Reserve Fund for Heavy Equipment.

\$52,000 to be placed in the Capital Reserve Fund for the Sanitary Landfill.

\$5,000 to be placed in the Capital Reserve Fund for Revaluation.

\$2,000 to be placed in the Capital Reserve Fund for the Winnisquam Fire Department (established by 1981 Town Meeting).

\$2,000 to be placed in the Town Bridges and Roads Capital Reserve Fund.

\$15,000 to be placed in the Fire Truck Capital Reserve Fund.

\$1,000 to be placed in the Sanbornton Fire Department Repair and Refurbishing Capital Reserve Fund.

Article 15. Subject: Town Office Computer

To see if the Town will vote to authorize the Selectmen to withdraw \$3,000 from the Computer Capital Reserve Fund to purchase software and a desktop computer for the Town Office.

Article 16. Subject: Landfill

To see if the Town will vote to appropriate the sum of \$34,700 for the landfill operating budget, \$5,250 of which is to be withdrawn from the Landfill Non-Lapsing Fund, a fund established by vote of the Special Town Meeting on August 31, 1990.

Article 17. Subject: Landfill

To see if the Town will vote to authorize the Selectmen to withdraw the sum of \$90,000 from the Landfill Capital Reserve Fund established in Article 12 of the 1987 Town Warrant, and amended in Article 5 of the 1988 Town Warrant, said sum to be expended for a partial closure at the landfill.

Article 18. Subject: Landfill

To see if the Town will vote to appropriate the sum of \$20,000 of which the Selectmen as disbursing agents will withdraw \$10,000 from the Landfill Capital Reserve Fund, to be matched by a \$10,000 grant from the New Hampshire Municipal Recycling Program, for the purchase of the following:

Baler	\$10,000
Trailers, 2 @ \$2,000	4,000

Fork Lift	5,000
Loading Dock	1,000

Article 19. Subject: Motor Vehicle Registration Surcharge for Disposal of Motor Vehicle Waste

To see if the Town will vote to establish a Reclamation Trust Fund pursuant to Chapter 263 and to authorize the Town Clerk to collect a motor vehicle registration surcharge, the amount of which is set forth in RSA 261:153, as follows:

\$5 for heavy vehicles, including mobile homes and house trailers, heavy trucks and truck tractors whose gross weight exceeds 18,000 pounds, and buses;

\$3 for automobiles, light vehicles including trucks, and commercial motorized vehicles including tractor trailers; and

\$2 for special use vehicles including all terrain vehicles, agricultural and farm vehicles, historic vehicles, and 2-wheeled vehicles including mopeds, motorcycles, and non-motorized car and boat trailers;

And further, to require the Town Clerk, after deducting \$.50 from each fee to cover administrative costs, to deposit the remainder into a town reclamation trust fund, which is hereby created pursuant to RSA 149-M:13 a, to be held by the Town Treasurer in a separate account, and to be spent under the direction of the Selectmen to pay for the collection and disposal of used motor oil, motor vehicle batteries and motor vehicle tires from vehicles registered by Town residents; any excess in the fund may be used for the recycling and reclamation of other types of solid waste.

Article 20. Subject: Withdrawal of Non-expendable Trust Funds offset Town Welfare Appropriation

To see if the Town will vote to raise and appropriate \$22,265 for general assistance. Said appropriation to be offset by the withdrawal of \$7,265 of interest from Nonexpendable Trust Fund for the Needy Poor, and the balance to be raised by taxes.

Article 21. Subject: Budget Committee Report

To hear the report of the Budget Committee and to pass any vote in relation thereto.

Article 22. Subject: Town Forest

To see if the Town will vote to adopt Lot 101, Map 15 (Tower Hill town lot) as a Town Forest.

Article 23. Subject: Automatic Dialer Alarm Code

To see if the Town will vote to adopt an Automatic Dialer Alarm Code, as recommended by the Police Department and the Fire Department. (A copy of the code is on file with the Town Clerk and is printed in the Town Report.)

Article 24. Subject: Ladder Truck

To see if the Town will vote to authorize the Board of Selectmen to accept the gift of a ladder truck from private sources for use by the Sanbornton Fire Department.

Article 25. Subject: Reclassification of Road

To see if the Town will vote to approve as a Class V road 500 feet in a generally westerly direction of the Range Road on Tower Hill, subject to the property owners bringing this section up to Town standards. If the improvements are not made by September 1, 1990, Town vote will be null and void.

Article 26. Subject: Petition Article

As citizens of New Hampshire assembled at our Town Meeting and concerned over the present and future wellbeing of our Town, State, Nation and World, we call on our Representatives in Washington to work vigorously for substantial reductions in military spending -- spending for which the taxpayers of our Town paid approximately \$2,400,000 last year -- and to redirect our Federal tax dollars toward such purposes as education, environmental protection, deficit reduction, farming, housing, health care, and welfare of the elderly and children. By Petition.

Article 27. Subject: Petition Article

To see if the Town will vote to designate and proclaim April 22, 1990, as Earth Day 1990, and to set aside that day for public activities promoting preservation of the global environment and launching the "Decade of the Environment." By Petition.

Article 28. Subject: Petition Article

To see if the Town will vote to direct the Winnisquam Regional School Board to conduct, as required by RSA 195:25, a study of the feasibility and suitability of the withdrawal of Sanbornton from the Winnisquam Regional School District. By Petition.

Article 29. Subject: Other Business

To transact such other business as may legally come before the Town Meeting.

Given under our hands and seal this twentieth day of February, in the year of our Lord nineteen hundred and ninety.

REPORT OF THE SELECTMEN

In addition to the annual March Town Meeting, the Board of Selectmen called a special Town Meeting in August for the purpose of authorizing the Selectmen to set landfill fees and charges, further, to authorize the placement of landfill fees in a non-lapsing fund for the purpose of maintenance and operation of the landfill. This was voted. In order to expend these funds, Town Meeting approval is required.

The Selectmen were petitioned to call a second special Town Meeting, held in November. This meeting, by a tie vote, agreed not to petition the Winnisquam Regional School Board to conduct a study of the feasibility and suitability of Sanbornton's withdrawal from the Winnisquam Regional School District.

The assessed valuation of property in Sanbornton for 1989 is \$81,164,995, up over \$3 million from 1988's \$78,081,327. DRA set the 1989 tax rate at \$30.97, up from \$27.38 in 1988. The equalization ratio for 1989 was set by the state at 46%. In 1988, it was 41%.

Amrac Cable Television progressed with work to install cable television in Sanbornton. A suitable antenna site has been identified. Final agreements with the landowner and town approvals remain. Hopefully, they will be addressed in early 1990. Actual wiring of the town, and home connections are left to be done. Amrac is hopeful that service will be in place by mid-summer.

A \$12,000 settlement was realized in the town's suit against John H. Lyman and Sons, Inc. for work at the Life Safety Building. This represents final litigation action involving the construction of the Life Safety Building.

The Selectmen and other land use boards (Planning Board, Zoning Board of Adjustment and the Conservation Commission) met several times during the year in joint session. These meetings have been useful in coordinating on land use issues as well as being a forum for discussing community goals. We hope to continue this dialogue.

Just after Christmas the new pumper truck arrived at the Fire Department. Much work is ahead for the Fire Department in getting it ready for service.

Finally, we again want to thank all those who volunteer in service to the town of Sanbornton.

Tom Salatiello
Warren Lake
Daryl Woods

REPORT OF THE TRUSTEES OF TRUST FUNDS

The Trustees of Trust Funds are pleased to announce another successful year for the Town's trust funds and capital reserve funds.

This year's John Doe Taylor #3 Scholarships were awarded to Kenneth Cegelski, Jr. and Matthew Swain. Both are attending the University of New Hampshire this year. The John Doe Taylor #2 Scholarship was awarded to Patricia Goss who is going to school at New Hampshire Vocational Technical Institute. We extend our best wishes for their continued success.

Applicants for this year's scholarship are encouraged to submit their applications this Spring. Applications are available in the Town Office.

Respectfully submitted,
Robert L. Stoecklin
Elizabeth A. Weiant
Jon Burbank

Town Meeting
March 15, 1989
Life-Safety Building

The meeting was called to order by the moderator, Ralph Sleeper, at 7:00PM after hearing several selections played by Moulton's Band and joining the Boy Scouts in the Salute to the flag.

Dr. Sleeper recognized Rev. James P. Maynard for the invocation.

The results of the previous day's voting were read.

The moderator announced his rules for the meeting.

- a. All discussion shall be through the moderator
- b. Speakers recognized by the moderator shall identify themselves
- c. Speak only when recognized
- d. Proposed amendments shall be in writing
- e. The moderator will use standard parliamentary procedure as outlined in the moderator's handbook but pointed out that those present are the legislative body, may set their own rules; the authority of the legislative body is subject only to the state constitution

A motion was made to dispense with the reading of the whole warrant; that motion was seconded and it was so voted.

Article # 1. To see if the Town will note to authorize the Selectmen to incur debt in anticipation of taxes in order to pay current maintenance and operation expenses and to insure a note or notes therefor: to administer any real estate acquired through tax collector's deeds; and to apply for and accept such grants, funds, and gifts as may be available to the Town from private sources and from other governmental agencies.

Accepted as read

Article #2. To hear a report from Sidney Whiting, Amrac Cable Television, relative to cable television in the Town of Sanbornton.

It was moved, seconded, and so voted to invite Mr. Whiting, a non-resident, to speak.

Mr. Whiting represented the cable company which is responsible for constructing the cable television system which will serve the Town of Sanbornton. It was reported that a great deal of planning and engineering work has been completed. However, the next step is to rent space on electric and telephone poles and this is the phase which is requiring time. Mr. Whiting reported that the power company and telephone company must rearrange their lines before it would be safe for the cable company to put up their cable. The length of time that will be required by the power company is unknown; when it is completed Mr. Whiting predicted it will take three months to have the system built and operational.

Article #3. To hear a report from the Capital Improvements Committee.

Mr. Donald Foudriat explained the Capital Improvement program and noted that a report is on file in the office of the Town Clerk.

Mr. Foudriat recommended that the budget committee update the six year plan annually with each department at the same time they review the annual budgets.

Article #4. Subject: Library Trustees

To see if the Town will vote to raise and appropriate the sum of \$37,300 and make the same available to the Library Trustees, as recommended by the Selectmen, the Budget Committee, and the Library Trustees.

Accepted as read

Article #5. Subject: Highway Block Grant

To see if the Town will vote to raise and appropriate the sum of \$63,567 to be received from the State for the Highway Block Grant for the purpose of paving and resurfacing Shaw Hill Road and Burleigh Hill Road, as recommended by the Selectmen, the Budget Committee and the Road Agent.

This article was moved and seconded. A motion to amend this article was made by Jon Guignard and read as follows: "to see if the Town will vote to raise and appropriate the sum of \$63,567 to be received from the State for the Highway Block Grant for the purpose of resurfacing Burleigh Hill Road and paving Shaw Hill Road, providing that some adequate method of speed control is used such as seasonal speed bumps or traffic lights."

The amendment was defeated

Accepted as read

Article #6. Subject: Highway Maintenance

To see if the Town will vote to raise and appropriate the sum of \$198,469 for the maintenance of highways and bridges, this sum to include \$5,000 to use for repair of Town Bridges, as recommended by the Selectmen, the Budget Committee and the Road Agent.

Accepted as read

Article #7. Subject: Fire Department

To see if the Town will vote to raise and appropriate the sum of \$35,500 for the operation of the Sanbornton Fire Department, which sum includes \$1,500 for the installation of dry hydrants, and \$1,000 for forest fire protection, as recommended by the Selectmen and the Budget Committee.

It was voted to delay action on this article until after the vote on Article # 13.

After the vote on article #13 was counted and the article accepted, this article # 7 was Accepted as read

Article #8. Subject: Police Department

To see if the Town will vote to raise and appropriate the sum of \$123,435 for the purpose of operating the Police Department, as recommended by the Selectmen and the Budget Committee.

Accepted as read

Article #9. Subject: Purchase of Police Cruiser

To see if the Town will vote to raise and appropriate the sum of \$15,500 for the purchase of a new police cruiser, the old cruiser to be transferred to the Fire Department, as recommended by the Selectmen and the Budget Committee.

Accepted as read - 116 votes for & 71 votes against

Article #10. Subject: 5th Police Officer

To see if the Town will vote to raise and appropriate the sum of \$10,625 to hire a 5th police officer, as recommended by the Selectmen and the Budget Committee.

It was pointed out by Mr. Thurston of the Budget Committee that this article was entered in the warrant as a response to requests for an additional police officer from the public.

Richard Robinson of the Sanbornton Police Department was given permission by the assembly to speak. Sargeant Robinson explained that the additional officer would afford more hours of coverage and a faster response time during specific hours of the day.

Mr. Wm. Sheperd pointed out that \$10,625 would not be the full cost of an additional officer. That figure represents only part of a year's salary and there would be the costs of benefits such as insurance, noted Mr. Shepard.

Accepted as read

Article #11. Subject: Circuit Rider Planner

To see if the Town will vote to raise and appropriate the sum of \$16,040 and make the same available to the Planning Board to contract with the Lakes Region Planning Commission for a part-time planner, as recommended by the Selectmen, the Budget Committee and Planning Board.

Accepted as read - the vote was unanimous

Article # 12. Subject: Winnisquam Fire Department

To see if the Town will vote to raise and appropriate the sum of \$13,000 for the Winnisquam Fire Department, as recommended by the Selectmen and the Budget Committee.

Accepted as read

Article #13. Subject: Fire Truck

To see if the Town will vote raise and appropriate the sum of \$148,000 for the purchase of a new fire truck for the Sanbornton Fire Department, and said sum to be in addition to any federal, state, or private funds made available therefor, and to authorize the issuance of not more than \$73,000 of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA Chapter 33) and to authorize the Town officials to issue and negotiate such bonds or notes and to determine the rate of interest thereon; furthermore, to authorize the withdrawal of \$75,000 from the Fire Truck Capital Reserve Fund created for this purpose. (2/3 ballot vote required). Recommended by the Selectmen and the Budget Committee.

Accepted as read - 210 ballots cast (145 yes - 65 no)

Article #14. Subject: Moulton's Band

To see if the Town will vote to raise and appropriate the sum of \$2,000 for Moulton's Band, as recommended by the Budget Committee.

Edwin Lebel spoke in favor of this article.

Those present and voting voted to allow Fran Woodward, a non-resident, to explain how these funds would be used. (100th anniversary celebration)

Accepted as read

Article #15. Subject: Humane Society

To see if the Town will vote to raise and appropriate the sum of \$700 for the Humane Society, as recommended by the Budget Committee.

Accepted as read

Article #16. Subject: Lakes Region Community Health Agency

To see if the Town will vote to raise and appropriate the the sum of \$4,000 for the Lakes Region Community Health Agency, as recommended by the Budget Committee.

Accepted as read

Article # 17 Subject: Youth Assistance Program

To see if the Town will vote to raise and appropriate the sum of \$8,404 for the Youth Assistance Program. (This appropriation to be contingent upon the continued participation in and support of that program by the Towns of Tilton and Northfield.) Recommended by the Budget Committee.

Accepted as read

Article #18. Subject: Twin Rivers Counseling

To see if the Town will vote to raise and appropriate the sum of \$1,200 for Twin Rivers Counseling, as recommended by the Budget Committee.

Accepted as read

Article # 19. Subject: Community Action Program

To see if the Town will vote to raise and appropriate the sum of \$800 for the Community Action Program, as recommended by the Budget Committee.

Accepted as read

Article # 20 Subject: Lakes Region Family Services

To see if the Town will vote to raise and appropriate the sum of \$1,500 for Lakes Region Family Services, as recommended by the Budget Committee.

Accepted as read

Article # 21. Subject: Recreation Commission

To see if the Town will vote to raise and appropriate the sum of \$14,600 for the Sanbornton Recreation Commission, as recommended by the Budget Committee.

A motion was made to amend this article to read "To see if the Town will vote to raise and appropriate the sum of \$15,560 for the Sanborn- to Recreation Commission." (motion made by Barbara Whetstone)

It was voted to amend as quoted above.

A motion to amend the amended article was made as follows: "To see if the town will vote to raise and appropriate the sum of \$14,600 for the Sanbornton Recreation Commission, no amount of the monies shall be for the purpose of hiring a coordinator or any such year round part time position."

It was voted to amend this article as quoted above (97 Yes to 71No)

Accepted as amended

Article #22. Subject: Establishment of a Capital Reserve Fund

To see if the Town will vote to establish a Capital Reserve Fund under the provisions of RSA 35:1 for the purpose of a computer for the Town Office; and to raise and appropriate the sum of \$3,000 to be placed in said fund. Recommended by the Budget Committee

It was moved, seconded and so voted to amend this article to read, "To see if the Town will vote to establish a Capital Reserve Fund under the provisions of RSA 35:1 for the purpose of a computer for the Town office; and to raise and appropriate the sum of \$3,000 to be placed in said fund and to form a committee to investigate possible computer systems."

Accepted as amended

Article # 23. Subject: Highway Department Backhoe and Mower

To see if the Town will vote to raise and appropriate the sum of \$55,868 to purchase a new backhoe and riding mower. Purchase price to be offset by \$3,000 for trade-in of present mowing machine, and the balance of \$52,868 to be withdrawn from the Heavy Equipment Capital Reserve Fund. Recommended by the Budget Committee.

This article was amended to read "To see if the Town will vote to raise and appropriate the sum of \$55,868 to purchase a new backhoe and road side mower. Purchase price to be offset by \$3,000 for trade-in of present mowing machine, and the balance of \$52,868 to be withdrawn from the Heavy Equipment Capital Reserve Fund. Recommended by the Budget Committee."

Accepted as amended**Article #24. Subject: Capital Reserve Funds**

To see if the Town will vote to raise and appropriate the following sums of money of which:

\$5,000 to be placed in the Capital Reserve Fund for Heavy Equipment.

\$55,000 to be placed in the Capital reserve Fund for the Sanitary Landfill.

\$5,000 to be placed in the Capital Reserve Fund for Revaluation.

\$3,000 to be placed in the Capital Reserve Fund for Land Acquisition

\$5,000 to be placed in the Winnisquam Fire Department Capital Reserve Fund. (Fund established by 1981 Town Meeting.)

Recommended by the Budget Committee.

Mr. Salatiello suggested that a committee be established to study the consequences, the pros and cons, and how to go about revaluation.

Accepted as read**Article #25. Subject: Establishment of a Capital Reserve Fund**

To see if the Town will vote to establish a Capital Reserve Fund for the Purpose of developing a Town recreation park, acquiring land if needed, and to make an appropriation of \$5,000 into said fund and to authorize the Recreation Commission and the Conservation Commission as disbursing agents. Not recommended by the Budget Committee. Recommended by the Recreation Commission and the Conservation Commission.

This article was amended to delete "Recommended by the Conservation." and by the deletion of the disbursing agents.

The amended article reads as follows:

Article # 25 continued:

"To see if the Town will vote to establish a Capital Reserve Fund for the Purpose of developing a Town recreation park, acquiring land if needed, and to make a appropriation of \$5,000 into said fund. Not recommended by the Budget Committee. Recommended by the Recreation Commission."

Accepted as amended

Article #26 Subject: Town Forest

To see if the Town will vote to designate Tax Map 4 Lot 32 and Tax Map 9 lot-61 (196.32 acres - Eastman Hill and Taylor Roads) as Town Forest, as recommended by the Conservation Commission.

Accepted as read

Article # 27. Subject: Solid Waste Disposal Committee

To see if the Town will vote to amend the solid Waste Disposal Committee, established by vote of the 1983 Town Meeting, to change the number of at large public members from three to seven. Recommended by the Selectmen.

Accepted as read

Article # 28 Subject: Ordinance

To see if the Town will vote to adopt the following Ordinance:

"Loud, unnecessary, unnatural and unusual noises for the purpose of this Ordinance shall include but not be limited to any noise occasioned by any one or more of the following actions of the operator of any motor vehicle operated within the confines of the Town of Sanbornton.

"Misuse of power exceeding tire traction limits in acceleration, sometimes known as "laying rubber" or "peeling rubber;" misuse of breaking power exceeding tire traction limits in deceleration where there is no emergency; rapid acceleration by means of quick upshifting of transmission gear with either the clutch of a manual transmission or automatic transmission; rapid deceleration by means of quick downshifting of transmission gears with either the clutch of a manual transmission or automatic transmission; racing of engine by manipulation of accelerator, gas pedal, carburetor or gear selection whether the vehicle is either in motion or standing still.

"Penalty: Any person violating this Ordinance shall, upon conviction, be penalized the same as for a violation under the criminal code of New Hampshire pursuant to RSA 625:9." Recommended by the Police Chief.

Accepted as read

It was requested that the following be entered in the minutes of this meeting. "It is not the intent of this ordinance to deal with noise other than that created by motor vehicles."

The intend of the law is "to allow" the Police "to keep people from 'laying rubber' or causing a disturbance with a motor vehicle."

Article # 29. Subject: State Legislative Action

To see if the Town will vote to instruct the Town's representatives to the General Court to respond to our solid waste crisis by taking all necessary measures to insure that New Hampshire adopt legislation that would permit consumers to return for refund of deposit within New Hampshire all soda, beer, wine cooler and liquor containers and that all unclaimed deposit monies shall be collected by the State and no less than 80% shall be returned annually to local municipalities for the sole purpose of implementing, expanding and reimbursing community recycling projects.
By Petition.

Accepted as read

Article #30. Subject: Roads

To see if the Town will vote to maintain the following sections of roads:

- a. Wadleigh Road from Brook Road, a distance of one half mile.
- b. Tower Hill Road (Old Stage Road) from the Fair Grounds, a distance of 1200 feet.
- c. The Range Road, from Route 132 to Tower Hill.

and to see if the Town will vote to abandon the following sections of Class VI roads, and to authorize the Selectmen to convey all interest of the Town to abutting landowners (all costs of such conveyances to be paid by said landowners):

- d. that portion of the old March Road from its intersection with the portion newly constructed as part of I-93 project, to the Gulf Road.
- e. Swain Road (Tilton Bridge Road) from Hale Road to Morrison Road.
- f. that portion of old Burleigh Hill Road from Route 127 to its intersection with the portion of Burleigh Hill Road newly constructed as part of the I-93 project.

(This article is designed to clarify action taken at the 1965 Town Meeting on Article 25.)

A motion to amend this article by deleting "c. The range road, from Route 132 to Tower Hill" was defeated.

A motion to amend this article by inserting before "c." "To see of the Town will vote to close, subject to gates and Bars:" was approved.

The amended article reads as follows:

To see if the Town will vote to maintain the following sections of roads:

- a. Wadleigh Road from Brook Road, a distance of one half mile.
- b. Tower Hill Road (Old Stage Road) from the fair Grounds, a distance of 1200 feet.

To see if the Town will vote to close, subject to gates and bars

- c. The Range Road, from Route 132 to Tower Hill.

and to see if the Town will vote to abandon the following sections of Class VI roads, and to authorize the Selectmen to convey all interest of the Town to abutting landowners (all costs of such conveyances to be paid by said landowners):

- d. that portion of the old March Road from its intersection with the portion newly constructed as part of the I-93 project, to the Gulf Road.
- e. Swain Road (Tilton Bridge Road) from Hale Road to Morrison Road.
- f. that portion of old Burleigh Hill Road from Route 127 to its intersection with the portion of Burleigh Hill Road newly constructed as part of the I-93 project.

Accepted as amended

Article # 31. Subject: Budget Committee Report

To hear the report of the Budget Committee, and pass any vote in relations thereto.

This article being moved and seconded, Judith B. Rich submitted the Final Budget figure as amended by vote of the Town in Article #25 (+ \$5000) as \$1,374,852.

During the ensuing discussion, a motion to amend this article by adding \$15,000 for a code enforcement officer was ruled out of order as it was believed to introduce a new purpose not listed in the warrant. Also voided was a proposed amendment to appropriate \$1.00 to hire a recreation coordinator.

Mr. Nicholas Rago made the following motion "I move to amend article # 31, line 34 by recommending an increase of \$3,000 to continue the Heuber Drive-Seal Coat Project which was originally authorized in article 22 at Town Meeting on March 9, 1988." The amendment was defeated by a vote of 18 for the amendment and 50 against the amendment.

The bottom line budget figure as reported by Judith B. Rich, Chairman of the Budget Committee of \$1,374,852 was accepted by vote of the Town.

Article #32. Subject: Other Business

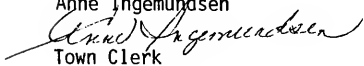

To transact such other business as may legally come before the Town Meeting.

Col. Robert Laflam drew to our attention a sign-up sheet on which our residents could show their support for a study of the Pemi River for "Wild and Scenic" designation. This sheet will be forwarded to the Congressional delegation.

Mr. "Chip" Richards gave thanks to the Budget Committee for their efforts on our behalf.

The meeting adjourned and 12:10 AM.

Anne Ingemundsen

Town Clerk

Special Town Meeting
August 31, 1989
Sanbornton Town Hall

The meeting was called to order at 7:30 PM by the moderator, Ralph Sleeper. Following the pledge of allegiance and a moment of silence, the moderator read the warrant in full. Actions taken are recorded below.

Article # 1. To see if the Town will vote to authorize the Board of Selectmen to establish or amend fees and/or charges for the privilege to enter and dispose of acceptable waste material in the Sanbornton Landfill pursuant to RSA 41:9-a.

Accepted as read

Article # 2. Shall we adopt the provisions of RSA 31:95-c to restrict revenues from the Sanbornton Landfill to expenditures for the purpose of maintenance and operation of the landfill, and for compliance with state mandates relating to the landfill. Such revenues and expenditures shall be accounted for in a special revenue fund to be known as the Landfill Non-Lapsing Fund, separate from the General Fund. Any surplus in said fund shall not be deemed part of the General Fund accumulated surplus, and shall be expended only after a vote by the legislative body to appropriate a specific amount from said fund for a specific purpose related to the purpose of the fund or source of the revenue.
By Petition. (Article # 2 must be voted by ballot.)

Mr. Andy D'Angelo made a motion to amend this article; the motion was seconded, to read as follows:

Shall we adopt the provisions of RSA 31:95-c to restrict revenues from the Sanbornton Landfill to expenditures for the purpose of maintenance and operation of the landfill. Such revenues and expenditures shall be accounted for in a special revenue fund to be known as the Landfill Non-Lapsing Fund, separate from the General Fund. Any surplus in said fund shall not be deemed part of the General Fund accumulated surplus, and shall be expended only after a vote by the legislative body to appropriate a specific amount from said fund for a specific purpose related to the purpose of the fund or source of the revenue.

Accepted as amended

53 voted yes

9 voted no

Article # 3. To transact such other business as may legally come before the Town Meeting.

Mr. Gary Olson of the Solid Waste Disposal Committee offered the following resolution: "Be it resolved that the voters of the Town of Sanbornton at a Special Town Meeting request the Department of Environmental Services, Waste Management Division, grant the Town single-town solid waste district status pursuant to RSA 149-M.

After this motion of resolution was seconded, the moderator explained that action taken under this article is merely the sense of this meeting. It is not a sense of the Town. It can not be legislation or policy as it was not a matter included in the warrant for this meeting.

Mr. Olson explained that Sanbornton had been a member of the Lakes Region Solid Waste district which was dissolved and all other towns which had been members of that district have joined other solid waste districts.

The assembly voted to support this motion.

The moderator next recognized Clare Mowbray who made the following motion of resolution: Be it resolved that the selectmen shall take all action necessary, including legal representation, to enforce town ordinances approved by the voters of Sanbornton.

Mrs. Mowbray spoke to her resolution making reference to an article passed at the 1980 Town Meeting (Article #6)

The assembly voted to support this motion

Mr. Sleeper recognized Mr. Delacie Laughy who made a motion to "set up a committee of three people to investigate the aspects of the town's solid waste and hold three meetings, before the regular Town Meeting, and bring forth their findings in an open article in said meeting."

Mr. Laughy spoke in support of his motion. Following Mr. Laughy's discussion a vote was taken. The vote being close was declared in the affirmative

There being no further business to come before the meeting, the meeting was adjourned at 8:20 PM.

Anne Ingemundsen

Town Clerk

SPECIAL TOWN MEETING

November 21, 1989
Sanbornton Town Hall

The Meeting was called to order at 7:30 PM by the moderator, Ralph Sleeper. After leading the Pledge of Allegiance, the moderator read the warrant and honored a motion and a second to accept article #1.

Article # 1. To see if the Town will vote to direct the Winnisquam Regional School Board to conduct a study of the feasibility and suitability of the withdrawal of Sanbornton from the School District as mandated by NH RSA 195:25. By Petition.

For the information of those present, Mr. Sleeper reviewed that statute as well as NH RSA 195:26 through 30.

The ensuing discussion precipitated a motion to amend this article to read as follows:

To see if the Town will vote to direct the Winnisquam Regional School Board to conduct a study of the feasibility and suitability of the gradual withdrawal of Sanbornton from the School District, in accordance with RSA 195:25, beginning with grades K through 4, followed by the Middle School and finally the High School.

The amendment was accepted.

Since the moderator was petitioned to do so, the vote was taken by ballot. The amended article was defeated. The count was 24 to 24.

Article # 2. To transact such other business as may legally come before the Town Meeting.

School cost issues were discussed; however, no proposals were made nor were any conclusions defined.

The meeting adjourned at 9:30 PM.

INDEPENDENT AUDITOR'S REPORT ON FINANCIAL PRESENTATION

To the Members of
the Board of Selectmen
Town of Sanbornton
Sanbornton, New Hampshire

We have audited the accompanying general purpose financial statements of the Town of Sanbornton and the combining and individual fund financial statements of the Town as of and for the year ended December 31, 1989, as listed in the table of contents. These financial statements are the responsibility of the Town's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As described in Note 1B, the general purpose financial statements referred to above do not include the General Fixed Asset Group of Accounts, which should be included to conform with generally accepted accounting principles. The amount that should be recorded in the General Fixed Asset Account Group is not known.

In our opinion, except that omission of the General Fixed Asset Group of Accounts results in an incomplete presentation, as explained in the above paragraph, the general purpose financial statements referred to above present fairly, in all material respects, the financial position of the Town of Sanbornton at December 31, 1989, and the results of its operations and the changes in financial position of its nonexpendable trust funds for the year then ended, in conformity with generally accepted accounting principles. Also, in our opinion, the combining and individual fund financial statements referred to above present fairly, in all material respects, the financial position of each of the individual funds of the Town at December 31, 1989, and the results of operations of such funds for the year then ended, in conformity with generally accepted accounting principles.

TOWN OF SANBORNTON

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 1989

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements of the Town of Sanbornton have been prepared in conformity with generally accepted accounting principles (GAAP) as applied to the governmental units. The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles. The more significant of the government's accounting policies are described below.

A. Governmental Reporting Entity

For financial reporting purposes, in conformity with the National Council on Governmental Accounting Statement Number 3, "Defining the Governmental Reporting Entity," the Town of Sanbornton includes all funds, account groups, agencies, boards, commissions and authorities that are controlled by or dependent on the Town's executive or legislative branches. Control by or dependence on the Town is determined on the basis of budget adoption, taxing authority, outstanding debt secured by revenues or general obligations of the Town, obligation of the Town to finance any deficits that may occur, or receipt of significant subsidies from the Town.

B. Fund Accounting

The accounts of the Town are organized on the basis of funds or account groups, each of which is considered a separate accounting entity. The operations of each fund are accounted for with a separate set of self-balancing accounts that comprise its assets, liabilities, fund equity, revenues, and expenditures, as appropriate. Governmental resources are allocated to and accounted for in individual funds based upon the purposes for which they are to be spent and the means by which spending activities are controlled. The various funds are grouped by type in the financial statements. The following fund types and account groups are used by the Town:

GOVERNMENTAL FUNDS

General Fund - The General Fund is the general operating fund of the Town. All general tax revenues and other receipts that are not allocated by law or contractual agreement to another fund are accounted for in this fund. From the fund are paid the general operating expenditures, the fixed charges, and the capital improvement costs that are not paid through other funds.

Special Revenue Funds - Special Revenue Funds are used to account for the proceeds of specific revenue sources (other than expendable trust or major capital projects) requiring separate accounting because of legal or regulatory provisions or administrative action. Included in this fund type are the Conservation Commission, Public Library, Sewer Department, and Landfill Funds.

Capital Projects Funds - Transactions related to resources obtained and used for the acquisition, construction, or improvement of capital facilities are accounted for in Capital Projects Funds. Such resources are derived principally from proceeds of long-term notes or bonds and from Federal and State grants.

FIDUCIARY FUNDS

Trust Funds - Trust Funds are used to account for the assets held in trust by the Town. The Nonexpendable and Expendable Trust Funds (which include Capital Reserve Funds) are shown in this fund type.

ACCOUNT GROUPS (FIXED ASSETS AND LONG-TERM LIABILITIES)

All governmental funds are accounted for on a spending or "financial flow" measurement focus. This means that only current assets and current liabilities are generally included on their balance sheets. Their reported fund balance (net current assets) is considered a measure of "available spendable resources". Governmental fund operating statements present increases (revenues and other financing sources) and decreases (expenditures and other uses) in net current assets. Accordingly, they are said to present a summary of sources and uses of available spendable resources during a period.

General fixed assets have been acquired for general governmental purposes and have been recorded as expenditures in the fund making the expenditure. These expenditures are required to be capitalized at historical cost in a General Fixed Asset Group of Accounts for accountability purposes. In accordance with the practices followed by most other municipal entities in the State, the Town does not maintain a record of its general fixed assets and, accordingly, a statement of general fixed assets, required by generally accepted accounting principles, is not included in this financial report.

Long-term liabilities expected to be financed from governmental funds are accounted for in the General Long-term Debt Account Group. This account group is not a fund. It is concerned only with the measurement of financial position and not results of operations. Since they do not affect net current assets, such long-term liabilities are not recognized as governmental fund type liabilities. They are instead reported as liabilities in the General Long-term Debt Account Group.

C. Basis of Accounting

The accounts of the General, Special Revenue, Capital Projects, and Expendable Trust Funds are maintained and reported on the modified accrual basis of accounting. Under the modified accrual basis of accounting, sources of financial resources and assets are recognized when measurable and available to finance operations during the year. Uses of

financial resources and liabilities are recognized when obligations are incurred from receipt of goods and services, when assessments are made by the State or, in the case of judgments and claims against the Town, when there is a probability that such judgments and claims will result in liabilities, the amounts of which can be reasonably estimated. Exceptions to this general rule include: 1) accumulated unpaid vacation and sick pay, and 2) principal and interest on general long-term debt which is recognized when due. All Nonexpendable Trust Funds are accounted for using the accrual basis of accounting.

D. Budgetary Accounting

General governmental revenues and expenditures accounted for in budgetary funds are controlled by a formal integrated budgetary accounting system in accordance with various legal requirements which govern the Town's operations. State Statutes require balanced budgets but provide for the use of beginning general fund unreserved fund balance to achieve that end. In 1989, the beginning fund balance was applied as follows:

Beginning Fund Balance -	
Reserved For Encumbrances	<u>\$30,000</u>

E. Fund Balance

The portion of fund balance which has been legally segregated for a specific future use, or which indicates that that portion is not appropriable for expenditures, is shown as reserved.

Reserved for Encumbrances

Encumbrance accounting, under which purchase orders, contracts, and continuing appropriations (certain projects and specific items not fully expended at year end) are recognized, is employed in the governmental funds. Encumbrances are not the equivalent of expenditures and are therefore reported as part of the fund balance at December 31 and are carried forward to supplement appropriations of the subsequent year.

The General Fund reserve for encumbrances at December 31, 1989 is detailed in Exhibit A-2 and totals \$44,570.

Other Reserves

Other reserves used by the Town include Reserve for Special Purposes (which includes Capital Reserve Fund balances) and Reserve for Endowments.

F. Cash and Investments

At year end, the carrying amount of the Town's deposits is \$291,007 and the bank balance is \$497,247. Of the bank balance, \$276,438 was covered by Federal depository insurance and \$220,809 was uninsured.

State Statutes authorize the Town to invest excess funds in the custody of the Treasurer in obligations of the United States Government, in savings bank deposits of banks incorporated under the laws of the State of New Hampshire, in certificates of deposit of banks incorporated under the laws of the State of New Hampshire, or in national banks located within this State or the State of Massachusetts. These financial statements report investments in certificates of deposit and savings bank deposits under the caption Cash and Equivalents.

The Town is further authorized to invest Trust Funds in obligations of political subdivisions and stocks and bonds, as they are legal for investment by New Hampshire savings banks. Capital Reserve Funds must be kept separate and not intermingled with Trust Funds. Capital Reserve Funds may be invested only in savings bank deposits of New Hampshire banks, or in United States or State of New Hampshire bonds or notes.

G. Accumulated Unpaid Vacation and Sick Pay

Accumulated unpaid vacation and sick pay is not accrued in the governmental funds using the modified accrual basis of accounting. Employees may accumulate up to 45 days sick leave at a rate of one day per month. Vacation is granted in varying amounts based on length of service. Vacation pay accumulation does not exceed a normal year's allowance. Accumulated sick leave is indeterminable.

H. Taxes Collected For Others

The property taxes collected by the Town include taxes levied for the Winnisquam Regional School District and Belknap County, which are remitted to these governmental units as required by law. The ultimate responsibility for the collection of taxes rests with the Town.

I. Property Taxes

The National Council on Governmental Accounting, Interpretation 3, referring to property tax revenue recognition, requires disclosure if property taxes receivable, which are to be collected beyond a period of 60 days subsequent to year's end, are recognized on the balance sheet and not reserved. In accordance with the practice followed by other municipal entities in the State of New Hampshire, the Town of Sanbornton annually recognizes, without reserve, all taxes receivable at the end of the fiscal year. The Town believes that the application of NCGA Interpretation 3, which would result in a decrease in the undesignated General Fund unreserved fund balance, would give a misleading impression

of the Town's ability to meet its current and future obligations. This practice is consistent with the previous year.

The property tax year is from April 1 to March 31 and all property taxes are assessed on the inventory taken in April of that year.

Interest of 12% is charged on property taxes unpaid after December 14, 1989.

Annually, the Town establishes and raises through taxation an amount for abatelements and refunds of property and resident taxes, known as overlay. All abatelements and refunds are charged to this account. The amount raised in 1989 was \$55,281 and expenditures amounted to \$35,737.

As prescribed by law, the tax collector places a lien on properties for all uncollected property taxes in the following year after taxes are due. The lien on these properties has priority over other liens and accrues interest at 18% per annum.

If property is not redeemed within the two-year redemption period, the property is tax-deeded to the Town.

J. Interfund Transactions

During the course of normal operations, the Town has numerous transactions between funds, including expenditures and transfers of resources to provide services and fund capital outlay. The accompanying governmental fund financial statements reflect such transactions as transfers.

K. Interfund Receivable and Payable Balances

Individual fund interfund receivable and payable balances at December 31, 1989 are as follows:

<u>Fund</u>	<u>Interfund Receivable(s)</u>	<u>Interfund Payable(s)</u>
General Fund	\$27,408	\$ 2,130
Special Revenue Fund	2,130	4,192
Capital Projects Fund		<u>23,216</u>
<u>Totals</u>	<u>\$29,538</u>	<u>\$29,538</u>

L. Total Columns (Memorandum Only) on Combined Statements

Total columns on the combined statements are captioned "Memorandum Only" to indicate that they are presented only to facilitate financial analysis. Data in these columns do not present financial position, results of operations, or changes in financial position in conformity

with generally accepted accounting principles. Neither is such data comparable to a consolidation. Interfund eliminations have not been made in the aggregation of this data.

M. Comparative Data

Comparative total data for the prior year have been presented in the accompanying financial statements in order to provide an understanding of changes in the government's financial position and operations. However, comparative data have not been presented in all statements because their inclusion would make certain statements unduly complex and difficult to understand.

NOTE 2 - CHANGES IN LONG-TERM DEBT

The following is a summary of long-term debt transactions of the Town for the fiscal year ended December 31, 1989.

Long-term Debt Payable January 1, 1989	\$348,000
New Debt Incurred	73,000
Long-term Debt Retired	(41,000)
Long-term Debt Payable December 31, 1989	<u>\$380,000</u>

General obligation debt payable at December 31, 1989 is comprised of the following individual issues:

1980 Fire Truck Bond payable in annual installments of \$6,000 through 1991, interest at 5.00%	\$ 12,000
\$300,000 1985 Life Safety Building Bonds payable in annual installments of \$15,000 through 2005; interest at variable rates from 5.40% to 8.875%	240,000
\$95,000 1987 Equipment Bonds payable in annual installments of \$20,000 through 1991 and \$15,000 in 1992; interest at variable rates from 5.40% to 6.30%	55,000
\$73,000 1989 Fire Truck Notes payable in annual installments of \$13,000 through 1990 and \$15,000 through 1994; interest at 6.75%	<u>73,000</u>
<u>Total</u>	<u>\$380,000</u>

The annual requirements to amortize all general obligation debt outstanding as of December 31, 1989, including interest payments, are as follows:

Annual Requirements To Amortize General Obligation Debt

Fiscal Year Ending December 31	General Obligation Debt		
	Principal	Interest	Total
1990	\$ 54,000	\$ 28,569	\$ 82,569
1991	56,000	25,163	81,163
1992	45,000	21,560	66,560
1993	30,000	18,493	48,493
1994	30,000	16,327	46,327
1995-2005	165,000	84,038	249,038
<u>Totals</u>	<u>\$380,000</u>	<u>\$194,150</u>	<u>\$574,150</u>

All debt is general obligation debt of the Town, which is backed by its full faith and credit.

Legal Debt Margin

According to State Law, Town borrowing (exclusive of Water and Sewer Bonds or Notes properly approved under the provision of the Municipal Finance Act) may not exceed one and seventy-five hundredths percent (1.75%) of the valuation of property based upon the applicable last locally assessed valuation of the municipality as last equalized by the Commissioner of Revenue Administration. At December 31, 1989, the Town of Sanbornton is using an equalized value of \$198,304,273 and a legal debt margin of \$3,470,325.

NOTE 3 - DEFINED BENEFIT PENSION PLAN

Some Town of Sanbornton full-time employees participate in the New Hampshire Retirement System, a multiple-employer public employee retirement system. The payroll for employees covered by the system for the year ended December 31, 1989 was \$161,536; the Town's total payroll was \$340,062.

All Town full-time employees are eligible to participate in the system. Employees who retire before age 65 are entitled to a retirement benefit equal to 1/60 of the employee's average final compensation multiplied by years of service. After attainment of age 65, the payment by the retirement system is reduced to 1/66 of the average final compensation. The system also provides death and disability benefits which are established by State Statute.

Covered employees other than police and fire personnel are required by State Statute to contribute 5.0% of their salary to the plan; police and firemen contribute 9.3%. The Town is required by the same statute to contribute a percentage of the employee's salary, based on an actuarial valuation of the entire State plan performed June 30, 1985. These contributions represented 5.53% for police, 9.29% for firemen and 2.67% for all other employees through

June 30, 1989. From July 1, 1989, the Town's contribution rates were 6.23% for police, 8.13% for firemen and 2.48% for all other employees. The contribution requirements for the year ended December 31, 1989 were \$20,159, which consisted of \$7,529 from the Town and \$12,630 from employees.

The "pension benefit obligation" is a standardized disclosure measure of the present value of pension benefits, adjusted for the effects of projected salary increases and step-rate benefits, estimated to be payable in the future as a result of employee service to date. The measure, which is the actuarial present value of credited projected benefits, is intended to help users assess the system's funding status on a going-concern basis, assess progress made in accumulating sufficient assets to pay benefits when due, and make comparisons among retirement systems and employers. The State retirement system does not make separate measurements of assets and pension benefit obligations for individual employers. According to plan administrators, the pension benefit obligation at June 30, 1987 for the system as a whole, determined through an actuarial valuation performed as of that date, was \$633,344,000. The system's net assets available for benefits on June 30, 1987 (valued at market) were estimated at \$792,615,988, leaving no unfunded pension benefit obligation. The percentage that the Town of Sanbornton has in relation to the entire plan cannot be determined.

NOTE 4 - TRUST FUNDS

The principal amount of all Nonexpendable Trust Funds is restricted either by law or by terms of individual bequests, in that only income earned may be expended. The Town's Nonexpendable and Expendable Trust Funds at December 31, 1989 are detailed as follows:

<u>Purpose</u>	<u>Nonexpendable</u>	
	<u>Principal</u>	<u>Income</u>
Cemetery Funds	\$13,723	\$18,721
Library Funds	21,031	3,993
Needy Poor	16,371	9,610
School and Parsonage	2,591	1,043
<u>School and Cemetery</u>		
John Doe Taylor #1	4,357	4,102
<u>Scholarships</u>		
John Doe Taylor #2	4,250	508
John Doe Taylor #3	17,364	6,187
Fireman's Memorial	2,991	2,263
Robert Gilman Memorial	508	1,170
Douglas Prescott	500	25
<u>Total Nonexpendable</u>	<u>\$83,686</u>	<u>\$47,622</u>

	<u>Expendable</u>
<u>Capital Reserve Funds</u>	
Heavy Equipment	\$ 20,750
Town Building Improvements	33,320
Fire Truck Rehabilitation	3,509
New Fire Truck	10,515
Sanitary Landfill	48,487
Road/Bridge Construction	5,485
Town Revaluation	10,484
Land Acquisition	8,484
Town Office Computer	3,000
Winnisquam Fire Department	5,000
Town Recreation Park	5,000
<u>Total Expendable</u>	<u>154,034</u>
<u>Total All Trust Funds</u>	<u>\$285,342</u>

NOTE 5 - CAPITAL PROJECTS FUND

Project Deficit

There is a deficit of \$20,216 in the Capital Projects Fund at December 31, 1989.

The deficit will be acted upon at the 1990 annual Town Meeting.

SANBORNTON POLICE DEPARTMENT

ANNUAL REPORT FOR 1989

The year 1989 has shown a 10% increase in calls for service over the previous year of 1988. Serious crime alone went up 20%. This is indicative of our present declining economy. It is a known fact that whenever the economy drops, the crime rate rises. This is why we, the Police Department, need your assistance more than ever in detecting criminal acts. The more eyes and ears we have out there will only make Sanbornton a more secure and safer town in which to live.

Two years ago, Sanbornton became a Crimeline Community in affiliation with both the Laconia and Franklin Crimeline. Either one of these organizations will pay up to \$1000.00 cash for information you provide that leads to an arrest and/or indictment and you will remain completely anonymous.

Greater Laconia Crimeline 524-1717

Greater Franklin Crimeline 934-4092

My special thanks to the Youth Assistance Program for the active role they have taken in dealing with our youthful offenders. This program is also available to assist parents with whatever problems they may be having at home with their children. I also wish to thank the Police Departments of the surrounding communities for their assistance whenever it was needed.

Respectfully submitted,
John J. Maurath
Chief of Police

SANBORNTON PUBLIC LIBRARY

"What, me? - go to the library? I'm just not a reader." If that has been your usual response - think again. Books will always be the main focus of our library, but there are materials and services available for everyone. We are a clearing-house for information on community groups and activities, too. Our copier is in great demand and at ten cents a sheet, a bargain. The collection of video tapes continues to grow, concentrating on do it yourself ideas for the handyman, classic movies, travel and children's cassettes. For those who are on the road, there are cassettes for the car tape deck, complete books narrated by talented actors. All of these may be borrowed free, subject to library regulations.

Presentations by professional artists are a part of children's summer programs, and local residents have shared their talents to round out a full schedule, to the delight of all. Story hours are spontaneous, year round, depending on the number of young children attending. Cooperation with Sanbornton Central School is ongoing. Each pupil has an opportunity to visit the library on a weekly basis, thus establishing good library habits.

1989 has been an exciting year. The children's room addition, opened in 1988, has created a warm, welcoming environment. A portico now shelters the entrance there. It is accessible to the handicapped, making the side door the one most frequently used. The interior design has resulted in a more efficient work area for the staff, as well. Late in November, the library closed for a week while staff members, their families and library volunteers worked many hours to clear the main room and front hall so that carpeting could be installed. Then all was moved back with stacks rearranged to create more shelf space...Citizen power put to good use! We thank them for their willing assistance.

The maple flooring in the upstairs hall has been beautifully refinished; the band storage room remodeled (by band personnel) with its new carpeting provided by the library. The upstairs hall is available, free, for community-oriented group meetings; reservations must be made in advance to avoid conflict.

Looking ahead, we have reserved funds to cover the purchase of a computer, plus the hard and software necessary to comply with the state operated network. Advantages of participation in this system will grow apace. Right away, it will shorten dramatically the amount of time needed to locate, within the State, any book not in our collection, but requested by a borrower. It also will be possible to check the status of bills before the New Hampshire legislature. On the local level, the

computer will provide a smoother operation of library routines.

These are but a few good reasons why a visit to your library/community center is worthwhile. We occupy one of the three historic buildings on Meeting House Hill, overlooking the Town's Life Safety Building. There is something here for everyone - and best of all, a friendly welcome. You'll feel right at home.

THE SANBORNTON FIRE DEPARTMENT REPORT

The Sanbornton Fire Department saw a sharp increase in calls over the year, responding to 224 calls. Fire calls were up compared to last year, although most were minor in nature. The dry Spring period kept the department busy responding to brush and grass fires, but due to alert people in town and the fire tower, these fires were kept small with very little acreage burnt. In general, most people burning throughout the year have been excellent in notifying the department and getting permits. This has helped us greatly and we hope this trend will continue.

The acquisition of the new Engine 2 has upgraded the department's water carrying and pumping capabilities. It has provided a safer unit to operate at emergency scenes, and is better organized because of the added compartment space. This unit should serve the Town and the department well for many years.

Training has been progressing well with almost a total membership being Certified Firefighters. During the ensuing year this program will be complete, with the exception of new members. New members will become certified within a year of joining the department along with a First Aid certification. Emergency Medical Personnel training is progressing well, and will continue to be a top priority within the department. New EMS equipment that has been purchased over the year has been used several times, which has provided better patient care and cut down on patient stabilization time. All medical equipment is now carried on the Utility truck, which we feel has been an asset to the department.

In the past year the community as a whole seems to be more fire conscious than in the past. Calls to the department for inspections and advice have increased, along with calls regarding potential problems in the Town. The department appreciates the concerns of people calling the department, and will respond to your concerns as fast as possible. If we can help you in any way it makes us feel that our time and training has been justified and worthwhile.

Respectfully submitted,
Arthur W. Dowling, Chief

LEGISLATIVE REPORT

Taxes, environmental issues, and funding for education are among the key issues that the New Hampshire legislature is tackling during the 1990 session.

More than 600 bills will be considered by lawmakers during the 1990 session, which will adjourn in late April. The most controversial proposals involve taxes. At least four proposals for broad-based taxes, including one that calls for a two percent general sales tax with funds dedicated to education and another proposing a limited income tax, will be considered. So will legislation to increase from four percent to ten percent the county share of the state's Real Estate Transfer Tax. Many of these bills are designed to relieve increasingly burdensome property taxes and to bolster state aid to towns and school districts.

With the state facing a potential budget shortfall of \$70 million, the Gregg Administration is proposing another sharp hike in fees for a variety of state services. Of note to Sanbornton residents is the Governor's "dock tax" proposal, that would require every dock, float, and raft to be registered with the state at an annual fee of \$25 (passage is pending). The Governor also is proposing to end all of the state's foundation aid funding to school districts, leaving only lottery money and limited building aid as the state's contribution to fund our schools. These proposals are being hotly debated, as they will likely increase property taxes substantially. One positive note: a bill reimbursing Sanbornton for \$3,205 in flood control reimbursement funds currently is progressing through the House.

On the environmental front, a bill that allows the Loon Mtn. Corp. and the Town of Lincoln to withdraw millions of gallons of water from the Pemigewasset River has been introduced. Another bill, the New Hampshire Rivers Protection Act, which I have sponsored, proposes to protect the state's key scenic rivers from additional development (including the Pemi). A bill that would call for greater septic and building setbacks along the state's rivers and lakes was also proposed, with the legislature voting for further study. Looser restrictions on jet skis, impact fees for developers, limits on construction near lake and riverfront properties, and a tax on disposable diapers also are on the agenda.

Social concerns also face the legislature. Drug dealers would be levied additional penalties if they are caught peddling within 1,000 feet of schools under one bill, and penalties for DWI would increase under another. The most attention on social issues has been given to the Governor's requests to slash state aid to social service agencies and programs, including the mentally ill at the Laconia State School.

County spending proposals also are on the rise, with the Commissioners proposing a 19 percent increase in spending. The bulk of the increase is in health insurance costs for county employees which are expected to soar by 36 percent. The county delegation, on which Sanbornton's two state representatives serve, currently is working to minimize the increase.

Sanbornton residents are urged to contact me (Taylor Road, RFD 1, Box 189B, Laconia 03246, 285-3449) to share their views on any issue before the legislature, or to remedy any problems with state agencies. I appreciate the opportunity to represent our town in Concord, and welcome your involvement in the legislative process.

Steven R. Maviglio
State Representative
Belknap District One

LAKES REGION PLANNING COMMISSION

1989

The Lakes Region Planning Commission (LRPC) continued to provide planning and development data and many other services to the community.

The basic concept of the LRPC is to share information with Sanbornton that may have been developed in another town in order to avoid duplication but also to integrate this information to as many, if not all, of the 32 Lakes Region communities that make up the LRPC.

The LRPC assisted town officials in developing a capital improvements program. A hearing was held earlier last year (1989) to review the final document. This document may be examined in the offices of the Selectmen or the Town Clerk.

The LRPC also assisted the town in hiring a part-time circuit rider planner.

In addition to traffic counts on town roads, the LRPC also provided data and/or assisted in the formulation of wetland protection regulations, amendments to our zoning ordinance, mapping, state statutes, household hazardous waste collection, public workshops and represented the Region on key legislative issues such as impact fees and shoreland development.

The LRPC also provided the town with advice and information regarding Historic Districts, population estimates, planning board activities and land use.

Recently the Lakes Region Planning Commission demonstrated their new Geographic Information System (G.I.S.) which will work as a tool to speed up and improve designs of plans and master plans.

One of the advantages of this system is that the designs are on a computer screen. Alterations on the design can be easily done with the use of the mouse. The ability of overlaying maps of the same scale with different characteristics to create new composite maps can be performed as well. This will be helpful in determining the development capability of a parcel of land.

The Lakes Region Planning Commission has published a booklet entitled Micro Computer Geographic Information Systems for town land use planning.

As local funding, through local town dues, has continued, the LRPC's ability to request and use funds from other sources has been strengthened. Each dollar raised from dues enables the LRPC to obtain approximately three dollars from other sources. These monies allow the LRPC to carry on important services to the region and to individual municipalities.

Sanbornton Commissioners
William M. Shepard
Earl L. Leighton, Jr.

LAKES REGION COMMUNITY HEALTH AGENCY

The Lakes Region Community Health Agency provides a range of "in house" health care services to the Town of Sanbornton, including Visiting Nurse, Physical Therapy, Home Health Aide, Homemaker, Speech Therapy, Occupational Therapy, private duty Aide; Adult In Home Day Care; and Early Intervention/Family Support services for families with a child (birth to three) with a developmental delay. The services are provided on a sliding scale for people without insurance.

In 1988-89, the Agency provided services to 27 residents of Sanbornton: Nursing - 84 visits; Physical Therapy - 56 visits; Home Health Aide - 750 hours; Early Intervention/Family Support services - 162 visits; Alzheimer's Respite - 2 families.

The people seen are primarily elderly Sanbornton residents who need help remaining independent at home. The Agency has a special grant from the State of New Hampshire to help with Respite Services for caregivers of people afflicted with Alzheimer's Disease. The Agency also has grants that partially support the Homemaker Program and the Adult In Home Day Care Program for income eligible Sanbornton residents.

PLANNING BOARD REPORT

The following is a list of subdivisions approved from January, 1989 to December 31, 1989.

Subdivisions

Schumm - Perley Hill - 3 Lot
Morrisson - Rte. 132 - 2 Lot
Cotsibas - Rte. 132. - 4 Lot
Auger - Perley Hill - 2 Lot
Howe - Rte. 127 - 2 Lot
Gilpatrick/Connolly - Plummer Rd. - 2 Lot
Copertino - Knox Mtn. Rd. - 2 Lot
Gerow - Rte. 132 - 7 Lot
McGrath/Johnson - Shaw Hill Rd. - 2 Lot
Downs - Rte. 132 - 3 Lot
Lawrence, Oaks - Lower Bay Rd. - 3 Lot
Howe - Rte. 127 - 2 Lot
Davis - Plummer Rd. - 4 Lot

Boundary Line Adjustments

Smith - Rte. 3
Earp - Rte. 127
Persons - Philbrook Rd.

Site Plan

Smith - Rte. 3
Sant Bani - Osgood Rd.
Cate - Rte. 132

George "Chip" Richards, Chairman

YOUTH ASSISTANCE PROGRAM

The Youth Assistance Program was established in 1975 by townspeople of Northfield, Sanbornton and Tilton. Motivated by concern for area youths, its founders brought their knowledge and skills together to develop a means to effectively divert young people from the Juvenile Court System. They had the foresight to realize that young people are more readily helped in the community where they live.

The Program was, and continues to be a good investment in the future of the towns' youths and also a sound financial investment. Young people receive help before they become involved in more serious problems, that are difficult to treat and costly to the community. Police and schools are relieved of Juvenile Offender work that can be handled by the program with less expense.

The goals of the program are: to work to prevent destructive behavior by young people and to help youths learn to make appropriate choices in order that they may reach their greatest potential as valuable members of society. Professional staff, a network of volunteers and the caring of the community have helped make the Youth Assistance Program work.

Respectfully submitted,

SANBORNTON OLD GRAVEYARDS AND CEMETERIES

Although finances were limited for graveyards without trust funds, work was done in as many as possible this year.

Vandalism once again is evident where stones are flattened and iron gates are missing.

Fences are being replaced around one graveyard. Mowing and brush cutting continues in visible yards as well as in many remote areas. There are still many yards that need care. Each year a stone is cracked or lies on the ground to deteriorate, we lose more of the history of our town.

We are helped greatly by efforts of our volunteers.

SEWER COMMITTEE REPORT

The Sewer Committee continued to advise the Board of Selectmen regarding the use of the Winnepesaukee River Basin Program sewer interceptor in Sanbornton. Committee members are: Donald Foudriat (Chairman), Andy D'Angelo (Secretary), Tom Salatiello (Selectmen's Representative), Everett Joslyn (Health Officer), and Byron Dalton.

During 1989, the Committee had legal agreements prepared for the construction and use of private laterals that are connected to the interceptor and serve multiple residential dischargers. The purpose of the agreements is to prevent taxpayer expense in the future for upkeep and maintenance of these private laterals.

Work was continued to complete hookups by those delinquent in meeting the Ordinance requirement to connect. The billing formula was reviewed to ensure that revenues cover expenses, and a balanced budget for 1990 was given the Budget Committee.

Respectfully submitted,
Donald Foudriat, Chairman

SOLID WASTE COMMITTEE

The Solid Waste Committee has spent a busy year with planning. A lot has been accomplished. The Committee has worked diligently to meet state mandates and still operate a cost effective landfill. Volunteerism and cooperation was asked of the committee as well as interested residents.

Subcommittees were formed. The building committee planned for the location of the recycling building. Robert Cooke transferred all site information to the plans. The architect was George Hickey. Al Larson and John Matcheski researched prices of materials. John Matcheski was also involved in overseeing the construction of the recycling building. Some of the labor was done by him as well. A low cost foundation was provided by Richard Persons. The signs that designate each pile were made by Corey Robinson. Some additional signs were donated by NH The Beautiful Inc.

In May of 1989 the State responded to the Whitman & Howard's hydrogeologic report. The State requested that the direction of the ground water flow be established. This may mean the drilling of additional wells at the landfill. The committee is currently working to find the abandoned wells on the site that were drilled before the original landfill was opened. Files located at the Town Offices do not indicate locations of these original wells. It will be necessary to further research this elsewhere. If some of the original wells are found they may assist in establishing the direction of ground water flow and satisfy the State, eliminating the Town of the costly requirement of drilling additional wells. Earl Leighton, Ralph Sleeper and Andy D'Angelo have been in steady communication with the State involving these matters.

Anthony Giunta wrote to NH The Beautiful Inc. for matching funds to help defray some of the costs. This was granted and \$2000. was received.

Another project for the year was the recycling of some of the wastes such as metal, tires and appliances from the piles at the landfill. Some of these items were saleable and generated revenue, others were an expense to have removed.

In the summer of this year, the Committee held several public hearings. One was for the establishment of the non-lapsing fund account. This would enable a surplus from the landfill budget to not lapse into the general fund at the end of the fiscal year so it would assist costs in the next year's landfill budget.

Fees were also the topic of a public hearing. The purpose of the fees were to be competitive with other towns (so as not to receive non town generated items). The revenue of some of these fees would assist in helping to defray costs of State

mandates (an alternative to raising the funds through taxation).

In the Fall of 1989, Sanbornton applied to the State for single town solid waste district status. A hearing by the State was held, and attending on behalf of the town, was Earl Leighton, Ralph Sleeper and Joel Anderson. The State approved single town status. This application needed the inclusion of a plan of implementation. This plan was done with the expertise of Joel Anderson and Gary Olson. The completed plan was approved by both Selectmen and the Solid Waste Committee and has since been submitted to the State.

To date, the Committee is in the process of forming a Recycling Advisory Committee. This Committee would consist of members of the Solid Waste Committee and interested residents. For more information contact Joel Anderson at 934-5467.

The Committee wishes to thank Jon Sanborn and Normand Boudreau for representing the Town for Hazardous Waste Days in Meredith and Bristol. Also the following for their help and support, Ralph Sleeper, Richard Persons, John Matcheski and family, Mary O'Neil, Janice Boudreau and Jean Auger.

Earl Leighton, Chairman
Andrew D'Angelo, Secretary
Robert Cooke
Joel Anderson
Alvin Larson
John Matcheski
Jean Auger
Anthony Giunta
Gary Olson
Corey Robinson

John Moyer

Selectmen's Representative on the Committee is Warren Lake.

Janice Boudreau, Winter Secretary

CONSERVATION COMMISSION REPORT

During this past year, with the assistance of our town forester, Curtis Beaupre, the county forester and the New England Forestry Foundation, a Forest Management Plan for the 196 acre town property on Eastman Hill was completed.

Our town forester also managed a timber harvesting and improvement cut of the 10 acre town property on Tower Hill. Proceeds from this project will be used to fund Conservation Commission programs which will include a scholarship for a deserving Sanbornton student to attend the New Hampshire Youth Conservation Camp in Windsor, NH June 17-22.

The Conservation Commission and the Selectmen received a number of verbal and written favorable comments attesting to the improved recreation conditions on Hermit Lake due to the horsepower restrictions on water craft. Ours is a community and family lake and we plan to keep it that way.

Our representative to the Pemigewasset River Council reports that federal legislation tasking the National Park Service to study the river has passed the U.S. Senate. This legislation will result in increased regional awareness of the river with the Sanbornton-New Hampton section for white water canoeing and prime potential as a wild-life refuge. In addition, it will guarantee upstream land and water uses but will not negatively impact downstream water quality and quantity.

Dr. and Mrs. Meader have granted a conservation easement to the Society for the Protection of New Hampshire Forests which will insure that their property remains as open space "for the scenic enjoyment of the public" and to "maintain the rural character of the town".

This past year has also been marked by increased vigilance on the part of the New Hampshire Wetlands Board. The failure to submit dredge and fill applications and the illegal violation of wetlands regulations have resulted in stiff penalties and judicial action. Embarrassing situations in this town could have been avoided by consulting with the Conservation Commission ahead of time. We are available to advise and assist.

Conservation Commission meets monthly, last Thursday, 7pm, Town Office.

Respectfully submitted,
Robert Laflam, Chairman

RECREATION COMMISSION REPORT

As we reflect back upon 1989, we feel very fulfilled by the many recreation programs offered and enjoyed by Sanbornton residents. During 1989, the Recreation Commission organized and coordinated seven programs and sponsored and/or assisted with four other town programs. The community enthusiastically participated in the wide range of programs offered this year.

A major task of the Commission is to coordinate and implement the **Beach Program**. A resident of Sanbornton, Jennifer Collard was hired to supervise the operation of the beaches and to coordinate summer programming. The beach program involved three components:

1. **Beaches.** Preparation of Hermit Lake and Winnisquam Lake town beaches for summer usage included the following: cleaning debris away; applying new sand; repairing rafts and anchoring to the lake bottom; putting out safety buoys; arranging for telephone service, garbage pickup, water testing and toilet facilities; painting and repair of beach houses and life guard stands; and replacing picnic tables. Throughout the summer, Commission members continued to monitor proper usage and maintenance of the beaches. At the end of the season, the beaches were cleaned and equipment properly stored for next summer.

2. **Lifeguards.** The Commission advertised, interviewed, hired and supervised three Red Cross certified life guards to maintain safety at both beaches, seven days a week, throughout the summer. Our life guards for the 1989 season were Maria Chapdelaine, John Aronson, and Kristian Svindland.

3. **Water Safety Instruction.** Lessons were provided to 125 Sanbornton children by instructors Jennifer Collard and Pauline Chabot, during the day at Hermit Lake, and during the evening at Winnisquam Lake.

Soccer. This was the fourth successful year of the Sanbornton Youth Soccer Program. Ninety-five children, ages 6 through 12, participated, which necessitated the formation of two additional teams. Twenty-six local parents and community members volunteered their time to coach, prepare the fields, referee and provide refreshments. The games were played on Saturday mornings (one hour practice and one hour play), September 16th through October 28th. Sanbornton Central and Sant Bani Schools provided the playing fields. The season ended with games at the Winnisquam High School field between the Sanbornton Youth Soccer and the Tilton-Northfield Youth Soccer teams. An awards ceremony, held at the Sanbornton Town Hall, was enjoyed by soccer participants and their families.

Tennis. An adult round robin of singles and doubles ran throughout the summer, in which 20 players participated. Twenty-eight children and adults took tennis lessons which were taught by tennis pro Peter Fagan at the Winnisquam High School courts.

Coed Softball. For the second year, coed adult softball was played weekly at the Baptist Church bay field throughout the summer months.

Halloween Party. A Halloween party including prizes, refreshments, a haunted walk, games, and entertainment by Sanbornton's Occasional Clowns was held at the fire station. Children of all ages filled the station with creative costumes.

Gym and Swim. This was the sixth year of this successful program offered by the Lakes Region YMCA for Sanbornton Central elementary children. Approximately 55 children attended sessions held during the spring.

Arts and Crafts. New this year, a twice-weekly arts and crafts program was offered to Sanbornton children at our Town Hall during July and August. The response to this program was excellent, with approximately 40 children having participated. Jennifer Collard, with the help of local teenagers, provided creative activities for the children.

The Commission also sponsored and/or assisted with several town recreation programs. These included the Sanbornton Youth Baseball League, the Little Red Wagon Program at the Town Library, Ice Skating Lessons and Family Skating at the Tilton School rink.

Most of the Commission's goals for 1989 were fulfilled. A wide range of safe and quality leisure and recreation programs were offered to community members of all ages and abilities. A Capital Reserve Fund for the development of town recreation areas was established. A committee was formed to develop a long range plan to meet the recreation needs of our growing town, and to search for land sites appropriate for recreation purposes. The committee, chaired by Larry Gibson and Bob White, was organized in the fall and has begun its task.

Goals for 1990 include the following:

1. To continue to promote safe and quality leisure and recreation programs. To expand the offerings to be available to more adults and senior citizens in town.
2. To continue a town land search for recreation purposes. To develop a long range plan for the development of a park. To seek community involvement to reach this goal.
3. To enlarge Winnisquam Beach in response to increased utilization and crowded conditions.

The Commission would like to thank the many community members who volunteered their time, energy and creative ideas to this year's programs. We would also like to thank the Sanbornton community for their tremendous support and encouragement which has made working on this Commission a very rewarding and fruitful experience.

Respectfully submitted,
Sanbornton Recreation Commission

**REPORT OF TOWN FOREST FIRE WARDEN
AND
STATE FOREST RANGER**

During calendar year 1989, the State of New Hampshire experienced an overage number of wildfires. The three leading causes of these wildfires were; fires kindled without written permission of a Forest Fire Warden, children, and debris burning fires that escaped control. All of these causes are preventable, but only with your help.

Please help our town and state forest fire officials with forest fire prevention. By New Hampshire State law (RSA 224:27), no person, firm or corporation shall kindle or cause to be kindled any fire, except when the ground is covered with snow, without first obtaining a written permit from the Forest Fire Warden of the town where the burning is to be done.

In order to eliminate false alarms, it is advisable to notify your local fire department whenever you intend to do any outside burning.

Violations of RSA 224:27 are a misdemeanor and you are also liable for paying all fire suppression costs (RSA 224:28 and RSA224:36).

The State of New Hampshire, Division of Forests and Lands assisted many towns in wildland fire suppression during 1989 including several large fires in the Concord and Chesterfield areas, as well as the 100 acre fire on Mt. Belknap in Gilford, New Hampshire.

If you have any questions regarding New Hampshire forest fire laws, please contact your local Forest Fire Warden or the Division of Forests and Lands at 271-2217.

FOREST FIRE STATISTICS - 1989

Number of Fires Statewide	550
Acres Burned Statewide	553.75
Cost of Suppression	\$93,957.00

NEW HAMPSHIRE HUMANE SOCIETY

Office of Selectmen
Town of Sanbornton
Sanbornton, NH

Dear Selectmen;

The 1989 totals of the number of animals brought to the NH Humane Society shelter from your town are as follows:

By your Animal Control Officer:

Dogs & Puppies:	21	Cats & Kittens:	5	TOTAL:	26
-----------------	----	-----------------	---	--------	----

From local Residents:

Dogs & Puppies:	5	Cats & Kittens:	15	TOTAL:	20
-----------------	---	-----------------	----	--------	----

Other Animals: 1

Total number of all animals received: 47

We are enclosing a copy of the report on all towns that used the shelter facilities and services in 1989. Your Society's shelter has been inspected and licensed by the State and fulfills your licensed dog pound requirements. It also complies with RSA 442-A, the Rabies Control Act for holding stray dogs.

Every town has stray animal problems. We encourage your town and especially your Animal Control Officer to use our services more in 1990.

Sincerely,
Fritz T. Sabbow
Executive Director

*The full report, listing numbers of animals brought to the shelter from all towns, is available at the Town Office.

AUTOMATIC DIALER ALARM CODE

309.1.1 DEFINITION

ALARM SYSTEMS: Any assembly of equipment and devices arranged to signal the police and fire departments of the presence of a hazard requiring urgent attention and to which the police and/or fire departments are expected to respond.

DIGITAL ENCODER ALARMS: Those alarm systems which automatically communicate an emergency situation, by transmitting a sequential toning signal over a telephone line to a digital communicator, for the purpose of signaling the police and/or fire department.

DIRECT DIALER TAPE ALARMS: Those alarm systems which automatically seize a telephone line connected to the police and/or fire department and reproduce a prerecorded voice message indicating the existence of an emergency situation.

FALSE ALARM: The activation of an alarm system through mechanical failure, accidental tripping, misoperation, malfunction, misuse, or the neglect of the owner or lessee of an alarm system, or of his employees or agents. It shall include any situation in which an alarm is signaled when, upon subsequent investigation of the police or fire department, there is no evidence of intrusion or other legitimate need or legitimate cause of activating the system. It shall not however include alarms caused by earthquakes, violent winds, or external causes beyond the control of the owner or lessee of the alarm system.

309.1.2 FALSE ALARM CHARGE: Any person who owns or maintains an alarm connected to the police or fire alarm system, to an alarm agent, alarm business or a person responding to audible alarms, which has caused any signal, message, or alarm to be transmitted to the police department or fire department either by direct telephone or other communication and which is proven to be a false alarm shall pay a false alarm charge to the Town of Sanbornton as follows:

- (a) During the period commencing with the effective date of this ordinance and for one (1) year thereafter the service charge for false alarms shall be:
First three (3) false alarms - No charge.
For any subsequent false alarms during that one (1) year period following the effective date of the ordinance, the service charge shall be \$150.00, per false alarm. For each one (1) year period thereafter, two (2) false alarms per one (1) year period - no charge. For subsequent false alarms in each one (1) year period the service charge shall be \$150.00 per false alarm.

309.1.3 NOTICE OF DISCONNECT FOR EXCESS FALSE ALARM: Whenever a particular alarm system has resulted in twelve (12) or more false alarms during a period of twelve (12) consecutive months, the

Chief of Police or Fire Chief shall send to the party responsible for that alarm system a notice that the alarm will be disconnected from the police and fire alarm system. Any person receiving such a disconnect notice shall have thirty (30) days to show just cause why that alarm should not be disconnected. In the absence of just cause, the alarm will be disconnected at the end of the thirty (30) day period.

309.1.4 NOTICE OF DISCONNECT - FAILURE TO PAY: In the event that any person responsible for the operation of an alarm system fails to pay within thirty (30) days from the date of the false alarm charges being assessed against him in accordance with the above sections, the Chief of Police or Fire Chief shall cause to be sent to that person a notice that the alarm will be disconnected from the police and fire alarm system. Any person receiving such a disconnect notice shall have thirty (30) days to show just cause why that alarm should not be disconnected. In the absence of just cause, the alarm will be disconnected at the end of the thirty (30) day period.

309.1.5 APPEALS BOARD: Any person aggrieved by decision to impose a fee under the provision of this ordinance may appeal that decision to an appeal board consisting of the Chief of Police, Fire Chief and three (3) other members who shall be appointed by the Board of Selectmen, one (1) of whom shall have expert knowledge of alarm systems and two (2) of whom shall be members of the general public.

309.1.6 WRITTEN PERMISSION NECESSARY: In accordance with RSA 370-A no alarm system as defined above may be installed or operated with the Town of Sanbornton without prior written permission received from the Sanbornton Fire Department and Sanbornton Police Department.

309.1.7 TAPE DIALER PROHIBITED: The use of direct dialer tape alarms directed to Town Offices within the Town of Sanbornton is prohibited and permission will not be given for their use. Any person responsible for the misuse of such alarm shall be guilty of a criminal violation in accordance with RSA 370-A.

Article 4 - General Precautions Against Fire

400.0 The following provisions are general provisions for precautions against fire to be applied to the use of all properties.

401.1 Sales:

401.1.1 No one shall sell within the Town of Sanbornton unvented space heaters, as defined within RSA 158:28 (supp) unless the buyer shall first present a permit issued to the buyer by the Town in which the heater is intended to be used.

401.2 Permits:

401.2.1 In accordance with RSA 31:60-A, anyone desiring to purchase an unvented space heater, as defined in RSA 158:88 (supp), for use in the Town of Sanbornton, shall first apply to the Sanbornton Fire Chief for a permit.

401.2.2 The Fire Chief shall issue a permit upon payment of a fee of \$2.00 providing the following conditions have been met:

1. Permits shall not be issued for use of an unvented space heater within a multi-family dwelling.
2. The use of a heater within the designated structure shall not violate any existing local codes or ordinances.
3. There is an operating smoke detector installed within the room in which the heater is intended to be used.
4. The heater is accompanied by an approved refueling device.
5. That there is an ABC type five pound fire extinguisher located within 25 feet of the proposed location of the heater.
6. All storage cans for fuel for the heater are clearly marked with the name of the fuel to be used in the heater.
7. The heaters are not to be used in conjunction with wheeled carts or other devices intended to allow the heaters to be moved while operating.
8. The heaters are not intended to be used in places of public assembly, religious facilities, educational facilities or medical facilities.
9. The heaters are not to be used in sleeping areas and are not to be operated without an adult in attendance at all times.
10. Any person desiring to obtain a permit for the use of an unvented space heater but does not own the residence, building or structure in which the heater is intended to be used, shall first obtain the owner's signature on the permit form.

401.3 Violations:

401.3.1 Any person who violates the provisions in Section A of

this ordinance shall be guilty of a violation with a penalty not to exceed \$100.00 for each offense.

401.3.2 No person shall operate an unvented space heater in violation of any of the restrictions set forth in Section 401.2.2, subparagraphs 1 through 10. A violation of any of those restrictions shall render that person guilty of a violation with a penalty not to exceed \$20.00 per day for each day of violation.

402.0 Fire Watches

402.1 The authority having jurisdiction may require the attendance of a firefighter at the location of a public assembly or other gatherings when he feels there is good cause to believe that the general public is endangered by the lack of fire safety due to building deficiencies, flammable finish or decorations, overcrowding, potential for slow fire detection and slow evacuation of the structure.

402.2 The charges for the attendance of a firefighter at such a detail shall be paid by the person or persons responsible for the gathering. Payment shall be made to the Town of Sanbornton at a rate set by the Board of Selectmen.

WINNISQUAM FIRE DEPARTMENT INC.

P. O. BOX 192

WINNISQUAM, NEW HAMPSHIRE 03289

The Winnisquam Fire Department answered 362 calls for assistance during 1989. The breakdown of our calls by basic type and location are listed below:

	<u>Belmont</u>	<u>Sanbornton</u>	<u>Tilton</u>	<u>Meredith</u>
Structure Fires	15	6	7	0
Rescue Calls				
Medical	93	48	50	0
Boat Accidents	0	0	0	0
Chimney Fires	3	3	1	0
Brush Fires	14	2	2	0
Auto Fires	5	1	2	0
False Alarms	35	11	1	0
Other	<u>30</u>	<u>10</u>	<u>8</u>	<u>0</u>
TOTAL	195	81	71	0

In addition, the department responded to 15 mutual aid calls:

Structure Fires	7
Cover Truck	3
Medical	5

Present vehicles in use:

- 1-1968 International 750 gal. pump 1000 gal. tank
- 1-1981 International 1000 gal. pump 1000 gal. tank
- 1-1980 Ford rescue vehicle
- 1-Forestry Jeep

Regular business meetings are held the first Thursday of each month at 8 p.m. Officers meetings are held the third Thursday of each month at 7:30 p.m., and special meetings are held as needed.

The department consists of 31 active members, seven of whom are Emergency Medical Technicians, 5 are qualified for defibrillator use (advanced life support). The defibrillator was purchased in 1987. It's cost was shared equally by Belmont, Tilton and Sanbornton and $\frac{1}{4}$ of the funds were raised by members of the department.

Training sessions and drills in cold water rescue, CPR, and pump training were held throughout the year and Fire School attended by members. Three of our members completed an EMT (Emergency Medical Technician) course and six completed a Firefighter Level I course.

The department purchased a fire/rescue boat in August 1988 through donations and fund raisers.

The annual Carole Davis Memorial Christmas party was held for the children in the Winnisquam area.

The department's Ladies Auxillary was re-established this year with Roseann Leighton as President.

The Winnisquam Fire Department would like to thank the community for its continuing and ongoing support.

Respectfully Submitted

Paige L. Goulding
 Paige L. Goulding
 Secretary - WFD
